The Dance Source

TDS is North Scottsdale's premier studio for dance education. Conveniently located at The Summit shopping center, TDS is an 8,200 square foot facility, comprised of four dance studios - the largest measuring 1,325 square feet! TDS also provides a large homework & break room complete with a full refrigerator, two microwaves and plenty of tables and chairs.

A Different Kind of Faculty

TDS teaches the business of show with a professional and innovative approach. The studio and its teachers keep their fingers on the pulse of the dance and music industries by constantly finding ways to further their own training. While there is strong focus on dance education, our faculty also makes TDS a fun place children look forward to attending on a daily basis.

Finding Your Place On Stage

"All the world is a stage" and it's our job to help students seize their moment. Whether it's at our annual recital or the G-force dance company competition team, TDS gives students the opportunity to excel and dance at all levels. The memories made in the classroom and on stage will last a lifetime!

It's How We Do Business

Contributing positively to our community and its families is what TDS is all about. Our dancers participate in many positive activities that help the communities where our families work and live through local school programs, city chambers, and various performances and functions.

Recitals/Performance Opportunities

DANCERS GET TO PERFORM IN THE COMMUNITY, AS WELL AS ON STAGE!
